

SENIOR HIGHLIGHTS

SEPTEMBER-OCTOBER 2020

***FAFSA INFORMATION: (FREE APPLICATION FOR FEDERAL STUDENT AID)**

The FAFSA must be completed electronically for 2021-2022 college freshmen to be considered for federal and state student grants, work-study programs, and loans. Many scholarship programs also require that the FAFSA be completed before considering students. Log in at <https://fsaid.ed.gov> to obtain FSA ID numbers for *both the student and one parent*. To complete the FAFSA, go to www.fafsa.gov. **PLEASE COMPLETE THE FAFSA BEGINNING OCTOBER 1. Most colleges have moved scholarship deadlines up to January or even earlier because of the FAFSA now being completed earlier!**

When your son/daughter starts receiving financial package letters from colleges, please pay close attention to the following and know the difference between the types of loans for which they may qualify:

***Direct Subsidized and Unsubsidized Loans are two separate, unique types of loans that are awarded separately: Please know the difference before accepting any loans:**

"Subsidized Loans" - need based; no interest is charged while the student is in school.

"Unsubsidized Loans"- not need based; interest is charged from the time the student receives the loan.

If you are a senior that is attending Collins Career Center, you have an e-mail set up by Collins. Any reminders of events, pictures, or things you should be aware of at CHS will be sent to you via e-mail. It is your responsibility to check your e-mail to know what is going on at your home school. If you are a CCP student or attend outside the high school building, it is your responsibility to check with the high school office to keep updated on events. It is not possible for us to contact each of you individually!

College Representatives: Once students return in person, we will try to set up as many virtual meetings with colleges as possible.
